USE OF THE ABOVE TABLE

For example: If you are a host and wish to get a campout registration form/flyer into the June H-O-G, the above table tells you that the Editor needs your input no later than 5-25-09. The table further states that the Editor has a target date of 5-27-09 to get the final masters to the Chapter's Publisher for duplication, collation, stamping, and mailing.

Note: 2009 may see a change in distribution choices: 1.) USPS 'snail mail' as usual or 2.) PDF attachment to an e-mail. The e-mail choice is a less costly method of distribution.

Another example: The inputs for the January 2009 H-O-G are due to the Editor no later than 12-22-08 (the earlier, the better). The table tells us that the January H-O-G will reach the Publisher by 12-27-08(Note: after Christmas and before Santee outing)

Anomalies: The Editor realizes that the best laid plans of mice and men often go astray. This 'mouse' will try to adapt to your problems as they are recognized.

SRH HOG ITEMS

- **Prez-Sez** -- This is prepared each month by the Chapter President. The content is at the President's discretion and is allotted the total space of page 1.
- **Dear Samantha** – This column in 2009 will include all member news including news from San Diego which was earlier reported in a separate column. The New "Dear Samantha" will be written by Mary Holzgang from items sent to her by the membership at large. Nominally, this segment will reside on page 2 and 3.
- **Campout Corner** – The Campout Hosts use this item to report on the campout just-past. The Hosts may prepare this report or may decide to ask someone, who will attend the campout, to write it up. This should be one (1) page or less. The H-O-G location depends on available space. This information is also kept on the SRH website.
