

San Onofre Bluffs

August 23, 24, & 25, 2010

Come join us for 3 days camping on the Bluffs high above the Pacific at San Onofre State Beach. There are flush toilets and a dump station but no hook-ups. Several trails go to the beach and there is a level 3½ mile paved bike trail that makes for excellent bike-riding along the bluffs.

Due to the late date, only a limited number of sites are available and you must make your own reservation by calling ReserveAmerica at **1 (800) 444-PARK** & requesting a site from the Bluffs Sites numbered BF-001 thru BF-021. If all these are gone, request the nearest available numbered RV site. The Hosts & Co-Hosts have reserved sites BF-008 & BF-009. ***(Before calling, check with Bob Reitzel who is holding site BF -014 he wants to transfer)***. The camping fee is \$35 per nite but Seniors can get a \$2 discount and holders of a CA Handicap discount pass can request a 50% discount. Because this is August camping at the beach, the remaining sites will go quickly and you must act quickly to assure a place. Call today! **And then, fill out and mail the form below to let the Hosts know you are coming & the site # you've reserved.** (Even if you've already told them).

Location: Three miles south of San Clemente you will exit I-5 at Basilone Road and travel south on Basilone and CA 101, paralleling I-5 for about 3 miles going past the Nuclear Generating station to the CG Entrance.

There will be a Monday afternoon excursion to the restaurant/bar at **San Clemente Pier** for a sunset Happy Hour & light dinner; and a Tuesday evening **Beach Blanket BBQ Party** at the CG. A daytime excursion is being looked into. Details on activities and what to bring will be provided later

**Hosts: Joan & Ron Malanosky
Co-Hosts: Amy & Phil MacBride**
